1 Samuel 14:1-23  
Jan. 27 & 28, 2018

## Main Idea

When God steps into our faith and shakes the ground, sometimes things get broken...in a good way!

## Study

Have you ever said or ever heard the phrase, “we need to shake things up”? Have you had a good experience follow that statement? Does hearing that statement make you apprehensive?

Read the following points from the sermon and discuss within your group. Specifically discuss how brokenness in each area can actually be a good thing.

When God steps into our faith and shakes the ground, sometimes things get broken:

Hardened hearts. Husband, wife, boss, friend, child...some things need to be broken before they are healed and restored.

Prejudice or walls of division. Community, city, church...some things need to be broken before there is revival or awakening.

Strongholds. Addiction, bitterness, unforgiveness, fear, rebellion, oppression...some things need to be broken before there is freedom, joy and renewal.

## Prayer

Pray for each other in your group and their various requests. Pray specifically for God to shake the ground in your life and for what area in your life you need to experience some brokenness.
