Main Idea:

How to work on having a God-honoring marriage.

Study:

Our Guest Speaker, Shannon O'Dell, spoke about having a God-honoring marriage. He gave husbands and wives 10 points each on how to honor their spouses. ***Group leaders: read over and discuss the points given during the sermon, then ask such things as, "Which points/thoughts really challenged you?"; "What points do you feel you need to work on?"; or, "What is your specific plan for implementing some of these points?"***
